CISQO WHITE

ELITE UPVC PROFILE

MODERN ELEGANCE

Premium uPVC & Aluminium System

About Us

At CISQO WHITE, we believe that windows and doors do more than create openings—they create possibilities.

We specialize in premium uPVC and aluminium systems that combine advanced engineering, elegant design and lasting performance.

Every product we deliver is crafted with precision and built to elevate comfort, enhance aesthetics and stand the test of time.

Driven by innovation and a commitment to quality, we create thoughtfully engineered solutions that complement modern architecture while delivering superior functionality, durability and everyday convenience.

Premium Quality
Superior materials engineered for strength and durability.

Smart Design
Sleek, modern systems that enhance every space beautifully.

Reliable
Tested for excellence to ensure safety, insulation and comfort.

Sustainable
Eco-friendly solutions that support a better and greener tomorrow.

Why Choose Us?

Built for Strength - Designed for Life

High Strength & Durability

Robust aluminium and high-grade UPVC profiles designed for long service life.

Weather & Corrosion Resistant

Engineered to withstand heavy rain, wind and temperature changes without warping or rusting.

Low Maintenance

Smooth surfaces, quality hardware and long-lasting finishes reduce upkeep.

uPVC White Profile

Sliding 60 Series

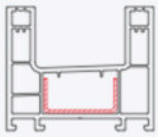

Engineered for performance. Designed for elegance. Our Sliding 60 series combines precision engineering with timeless design to deliver smooth operation, weather durability and refined aesthetics - perfect for modern living.

"We don't just build Windows and Doors.
We build trust, comfort and better spaces for life."
